

BRIEF LIST OF REFERENCE NUMBERS
USED IN THE DRAWINGS

10	trailer hitch alignment system
11	receiver sleeve
12	trailer vertical rod assembly
12A	rod
13	stop
13A	alternate stop
14	socket of trailer
15	trailer tongue
16	top end of receiver sleeve
17	bottom end of receiver sleeve
18	hitch ball
19	trailer hitch
19A	ball mount of trailer hitch
20	stop brace
20A	alternate stop brace
21	stop plate
21A	alternate stop plate
22	pin
23	rear view mirror line tab
24	rear view mirror
25	towing vehicle
26	rear line tab
27	rear window
28	driver
29	trailer

30	attachment assembly
31	jack
32	flange
33	inverted U-shaped section
33A	L-shaped section
34	attachment arm
35	horizontal portion hole
36	first nut
37	first rivets
38	first holes
39	bolts
40	second holes
41	threaded end
42	second nut
43	horizontal portion
44	vertical portion
45	fourth hole
46	fifth hole
47	linear section
48	curved section
49	rear side of stop plate
50	front side of stop plate
51	first end
52	second end
53	longitudinal axis of vehicle
54	first transparent sheet
55	rear view mirror frame
56	second transparent sheet

57	bumper
58	lower rod segment
59	middle rod segment
60	upper rod segment
61	ball
62	permanent magnet
63	trailer latching clip
64	suction cups
65	rear mirror adjuster switch
66	tailgate line tab
67	front face
68	tailgate
69	trunk vertical rod assembly
70	second rod
71	base
72	trunk lid
73	U-shaped section
74	matching arms
75	receiver sleeve hole
76	sixth holes
77	second rivets
78	first, bottom end
79	second, bottom end
80	alternative receiver sleeve attachment assembly
81	horizontal section
82	third ends
83	fourth ends
